Earn this amount immediately and earn this other during each of the next 3 Periods that you maintain the Ranks (yours and your LIVs).		

Don't miss out! To participate, you and your team's LIVs must have Save & Win Active. If you don't have it yet, activate it today from your Virtual Office and invite your entire Team to do the same.

- The LIV participant and the LIVs on their team must be in Select Access to receive the bonus.
- You can start this bonus in either of the two August periods. Once you meet the requirement, a window of 3 consecutive periods will open for you to enjoy the Earnings x3.
- You will receive the bonus for each period in which you meet the requirements. If you do not achieve it in any of those periods, you still have a chance! As long as you remain within the 3 consecutive periods, you can meet the requirement again and receive the bonus in the corresponding periods.
- Additional amounts are received along with the bonuses for each period in which the requirements are met.
- Subject to change without prior notice. Governed by the VIVRI Compensation Plan.
